

CAHPERD Walk/Run/Ride-a-Thons

Using Automated Lap Counter and Online Fundraising Platform

Increase revenue: typically, \$12,000 to \$ 70,000 per event

Makes fundraising fun, easy, and exciting!

Partner with CAHPERD and Orbiter Inc. to quickly and easily develop and conduct a fundraising event at your elementary, middle, or high school. Orbiter provides an interactive and exciting school assembly to promote the fundraising priority of choice. Students and parents are motivated to raise more money than previous fundraising events using an on-line platform.

Orbiter will provide full turn-key service for the event with space-age technology equipment, set-up, and staff. Schools can determine the level of prizes. CAHPERD will oversee the complete accounting of funds. This fundraiser assures accountability, reporting, and easy administration!

ONLINE PLATFORM

https://www.youtube.com/watch?v=fn_JX_TWYPs

The Orbiter beeps in real time as students pass. Laps are accurately counted for all participants and results are available in real time and/or in a printed report. Prizes and optional bouncy house can be available the day of the event.

For no additional fee, motivational items such as PA system, music, announcer, flags, bubble machine, and more will be provided on the day of the event. These will make your event day exciting and memorable to all!
